Work Experience

Ball State University - Muncie, IN

Department of Architecture

Teaching Assistant Aug 2008 - May 2010

Aided in the instruction of a 400 level design studio critiquing 12 students design projects weekly

Researched the development of virtual sets and created a five part 3ds Max tutorial for the instruction of future students

Institute for Digital Fabrication

Research Fellow May 2009 - May 2010

Designed an Excel based system which linked to the project's digital model in order to catalog and manage donated materials

Managed 10 employees totaling 60 labor hours per week

Established and maintained relationships with industry partners

Designed, fabricated, and installed an exhibit for the VISIONS conference in Florence, Italy

Lucien Lagrange Architects - Chicago, IL

Intern - Summer 2008

Created a template to efficiently manage site visit photos and comments, saving the 6 person construction administration team approximately 3 hours weekly

Worked with the construction administration team on RFI responses for Blue Chip, a \$130 million 38,000sf casino, and Elysian Residences and Hotel, a \$135 million 368,000sf project

Generated the plans and rendered elevations of a 50,000sf mixed use Planned Unit Development package in Chicago, IL

GBBN Architects - Cincinnati, OH

Intern - Summer 2007

Assembled and presented master planning precedents for a 25 acre urban re-development proposal in Cincinnati, OH

Contributed to the schematic design of an addition to the Cincinnati Reds stadium and produced the client presentation

Participated in the design and representation of a competition entry for a 640 acre master plan to be developed in Tianjin, China

The Estopinal Group - Jeffersonville, IN

Intern - Summer 2005, 2006

Completed two local pro-bono projects including the existing survey, drawings, renderings, and presentation

Selected interior finish schemes of paint, tile, and fabrics, produced corresponding presentation boards and interior design drawings

Surveyed existing conditions for renovation / addition work including a 10,000sf emergency department in Greenville, MS

Studio A Architecture - Louisville, KY

Architect's Assistant - Summer 2004

AML Inc. General Contractors - Floyds Knobs, IN

Project Managers' Assistant - Summer 2003

Tucker & Booker Inc. Architects - Louisville, KY

Main Office Support Staff - Summer 2002
